

LISBON EXEMPTED VILLAGE SCHOOLS QUALITY PROFILE

A successful school district places a high degree of importance on ensuring that all children have the opportunity to reach their full potential inside and outside of the classroom. This profile helps characterize the overall educational value of the Lisbon School District in areas that matter most in our community.

ACADEMICS

Our district's academic program provides opportunities for all students to reach their full potential.

[Academic highlights:

- **Lisbon Exempted Village Schools**

Over a 5 yr period of performance index indicator on the state report card, we are third highest in the state (610 schools) in overall gain.

Lisbon Index per Year	
2010	90.4
2011	95.5
2012	97.9
2013	99.0

Facebook

SUMMARY

Lisbon Exempted Village Schools is a combination of McKinley Elementary and David Anderson High School. We are a proud community that takes pride in what it offers and does for its students. We take pride in supporting a safe and drug- free atmosphere, and are implementing a new anonymous bullying hot line so that all students feel safe and comfortable and can learn to the maximum of their ability.

Lisbon Schools provides its students with the most up to date electives and courses in order to get students excited about learning the material. We are also proud of the new technology / innovations are district has introduced to our students in order to give them a great advantage upon graduation. Our new technology includes our several computer labs, our 1 to 1 initiative (giving lap tops / netbooks to all students in grades 9-12), iPads, ChromeBooks, 3D printers and our STEM Classroom.

We continue to strive to motivate our students in every way we can to be productive rather than destructive; creative as opposed to bland; and involved instead of restricted. There is a place for each student. You are a part of Lisbon Schools and therefore heir to its bounty.
