

LISBON EXEMPTED VILLAGE SCHOOL DISTRICT

The Master Agreement states each bargaining unit member will receive six (6) semester credit hours of work toward the master's degree, renewal or upgrade of certificate/license per contract year. The 6 semester credit hour per year reimbursement will be good for the period from July 1, 2016 until June 30, 2018. All courses shall be approved by the Superintendent prior to taking the course. Approval will be granted when hours taken are within area of certification, teaching, or teaching assignment. Courses outside the area of teaching or assignment may be granted by the Superintendent. Reimbursement will only be paid for graduate level courses. No payment will be authorized until the Superintendent's Office receives an official transcript of grades from the college or university. Please see the Tuition Reimbursement Section of the Master Agreement for further information on approval/reimbursement.
