Dear DAHS Families,

The Lisbon School District is interested in trying a new approach to Parent/Teacher Conferences this school year. Traditional conferences will be held at David Anderson on Thursday, October 4<sup>th</sup> from 3-9 pm.

There is no school in session for students on Friday, October 5<sup>th</sup>. We are seeking families who may be interested in having these conferences at their home during the day on Friday, October 5<sup>th</sup>.

If you are interested in meeting with a teacher (or small group of teachers) at your home, or some other location in Lisbon (Lepper Library, McDonald's, etc...) for 20-30 minutes, please call the school (330) 424-3215 to schedule this visit.

These "Home Visits" are informal meetings between parents, family members and school staff to discuss anything and everything you'd like to about your child's school year. We want these visits to be warm, open and inviting. We are trying this approach this year for a number of reasons: to reach out to families in an environment other than the school building, to accommodate those who cannot attend an evening conference, and to provide all of the information and experiences shared in a typical parent teacher conference in a different setting. We hope you'll take us up on this and allow us to meet you on Friday. Please contact the school as soon as possible to schedule this meeting as limited time will only allow each group of teachers to visit a few families on this day.

Sincerely,

A handwritten signature in cursive script that reads "Keith H. Edenfield".
