

McKinley Elementary Parent/Teacher Conferences & Home Visits

The Lisbon School District is interested in trying a new approach to Parent/Teacher Conferences this school year. Traditional conferences will be held at McKinley on Thursday, October 4th.

There is no school in session for students on Friday, October 5th. We are seeking families who may be interested in having these conferences at their home sometime on Friday, October 5th.

If you are interested in meeting with a teacher (or small group of teachers) at your home, or some other location in Lisbon (Lepper Library, Dunkin' Donuts, McDonald's, etc...) for 20-30 minutes, please call the school (330) 424-9869 to schedule this visit. Please be aware that some teachers may be contacting families as well to schedule these visits.

These "Home Visits" are informal meetings between parents, family members and school staff to discuss anything and everything you'd like to about your child's school year. We want these visits to be warm, open and inviting. We are trying this approach this year for a number of reasons; to reach out to families in an environment other than the school building, to accommodate those who could not attend conference evening, and to provide all of the information and experiences shared in a typical parent teacher conference in a new setting. We hope you'll take us up on this and allow us into your home for the day. Please contact the school as soon as possible to schedule this meeting as the limited amount of time will only allow each group of teachers to visit 4-5 homes on this day. Thank you.
